Male?	?	6ft8in	300	White	None

PHYSICAL DESCRIPTION

PERSONALITY & BACKGROUND

Probably a Thrall caught in the Black Wind, "Animo", as he calls himself does not remember anything before what ever happened to him.
His body completely devoid of markings, hair, and pigmentation. He is constantly harried by Aamanians as a "miracle". Some might disagree, for it seems he is possessed of strange powers, and even odder happenstances. Some argue the designation "him" due to Animo's lack of the usual apparatus. He no longer feels hunger, and little pain as his body/skin seems to be as hard as iron armor. He also exhibits tremendous strength, tho little agility, slow reflexes and movement.
