PERSONALITY & BACKGROUND

Some who find Archaen items are not so lucky, as Spasina can attest. Even with her magical markings, she can't break the bond of the "Demon Gauntlet". Shunned by her kind, she plies her skills where ever they are bought, forever seeking release. She was born to a stern mother in the year 607. In her youth, she trained with the Xambrian, "Danan", now verging on being a Professional Warrior for hire...
